It Means Something to Attain the Position Of a CITY'S Representative Store.

Every city of size has a store that its people depend on to show them what's best, what's newest, what's most worthy of them. If vote were taken, there would be very few, if any nays in the Gans-Rady Co. ballot box. In men's wear, in children's wear, the same high standard is achieved, because the same ambition to excel prevails. We plan to bring you the best of men's wear—we plan to interest the children by providing best for them. How well we've succeeded along our plan of endeavor is well attested by what you hear and what you think of this house.
